What is college, anyway? You might expect that it is something more than a four-year education-grabbing marathon, and it is. To be sure, education is, or should be, the object of the whole thing, but even the ones who barely scrape by with a two-point are aware of a change, a slow but consistent path upward to self-realization.

It is apparent that other forces are in existence, forces which urge one away from education aimed toward the development only of certain skills which, when mastered, will insure an income. True, money is essential, but most colleges feel the responsibility of providing a thought-provoking, intellectually stimulating atmosphere which helps one to learn to reason for himself. Bethany is such an institution.

On the following pages, Bethany can be seen both macroscopically and microscopically. Through pictures and copy, we, the staff of Bethanian 1968, hope to describe Bethany as it really is, and to bring you, the reader, closer to the things which otherwise would have gone unnoticed. The camera records only what it sees, and therefore is the most objective tool with which to tell a story, the story of our year at Bethany College, 1967-1968.

Bill Landrum
editor, photographer

It's hard to speculate on the reasons which bring people to college. Is it curiosity, motivation, pressures from parents, or what? The only thing which can be said with any degree of accuracy is that the reasons are as many and varied as the students who matriculate each year.

You see them together all the time. They are the established Couples, and they're everywhere—at meals, ball games, the Hive, the library. Boys and girls just naturally gravitate toward each other, and four college years create a good period for lasting relationships to develop. If only for a short time, each pair exists, seemingly unaware of ships and kings and things.

Considering the investment which is put into a college education, it becomes simply a matter of logic that, after the fun of letting oneself go and enjoying what extracurricular activities have to offer, one recognizes the most important goal of the four years, and all arrows point to the books.

When you get right down to it, there really isn't much to do around Bethany, by university standards, anyway. But Bethany isn't a university, is it? Anyway, there are billiards, bowling, the Hive, and, of course, the car, which needs that last wax job before the winter. For some, things are lively enough around here, but for others, a suitcase weekend is the only cure for a week of classes.

Bare trees and the leaf-carpeted earth are harbingers of the cold months at Bethany. Although the skies hold only promises of dreariness, the memories of an exciting autumn still linger in the minds of Bethanians and are as poignant and refreshing as the anticipation of spring and a fresh view of life.

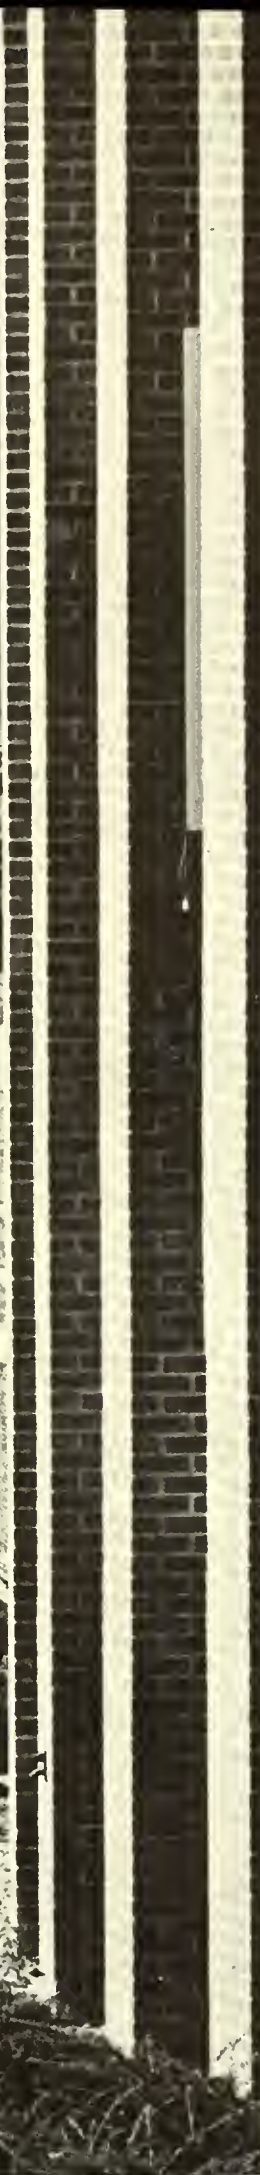

Knowledge is an elusive thing. To catch it, one must look for it where it exists. Finding it is not as difficult as adapting it to one's own purposes, though, and therein lies a basic truth—to gather the harvest of education, one must first be willing to sow a few seeds of interest.

Beef subs, meatball heels and french fries with gravy—Sam has them all. Bethanians will not easily forget Wellsburg, whose sometimes friendly, sometimes not-so-friendly atmosphere provides a rather drastic change from Bethany College life. This was the year of the Bethany-Wellsburg war games, and for many, Wellsburg will forever be a battlefield. There are others, however, who frequently follow Route 67 to Brazier Burgers and beyond, with only a slight recollection of discord.

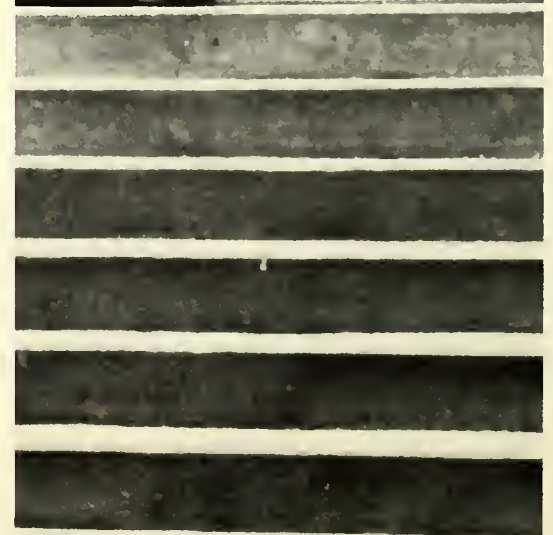

Dedication — Dr. Richard B. Kenny

Mr. Kenny came to Bethany with us in the fall of 1964. As we increased our knowledge, competed in athletics, or faced problems, we could find scholarship, support, or comfort through his presence. He was Bethany's first Danforth Scholar and we honored him with the Professor of the Year award in 1966. We leave Bethany knowing that he will remain as a beacon of scholarship and friendship to future Bethanians.

Administration*

Dr. Perry Epler Gresham
President

President Perry E. Gresham has continued to lead Bethany College despite recurring illnesses which were, in his words, "rapidly making an old man" of him. Dr. Gresham will continue to represent the college across the country, while Dr. Warner Peterson shoulders the burdens of administrative details. A wise and kind gentleman, he is revered by all who know him, especially the students of his college.

Dr. Warner G. Peterson
Vice-President and Treasurer

To most students, the name Warner G. Peterson means, first, tennis coach, and second, vice-president and treasurer; however, to the administration and faculty the reverse applies. In addition to his duties as vice-president and treasurer, not to mention his hand in the grooming of the tennis squad, Dr. Peterson will assume a number of responsibilities normally expected of the president. He will handle the administrative as well as the financial departments of the college, while Dr. Gresham represents Bethany in other areas of the country.

The department of biology extends its influence far beyond the walls of Bethany, not only in the work of its graduates, but through the efforts of students and professors during the school year. This year Dr. Gary Larson and Assistant Professor James Sawtell, aided by biology student assistants, took a Bethany biology course to the inmates at West Virginia penitentiary in Moundsville.

Although environment, age of students, and class hours varied considerably from conditions in a typical on-campus biology course, the intellectual atmosphere was clearly collegiate. Students were well-prepared for their lessons, willing and eager to learn, and anxious for class discussion—a pleasure to teach, according to Dr. Larson.

Results of the course were enough to make Bethany students sit up and take note, for when ranked with students in the same course at Bethany, three of the inmates had one of the ten highest grades. One of these, in fact, made the highest grade in the course.

Anthropology Students Dig for Relics Near Campbell Mansion

Robert E. Shoup

Francis D. Mulcahy

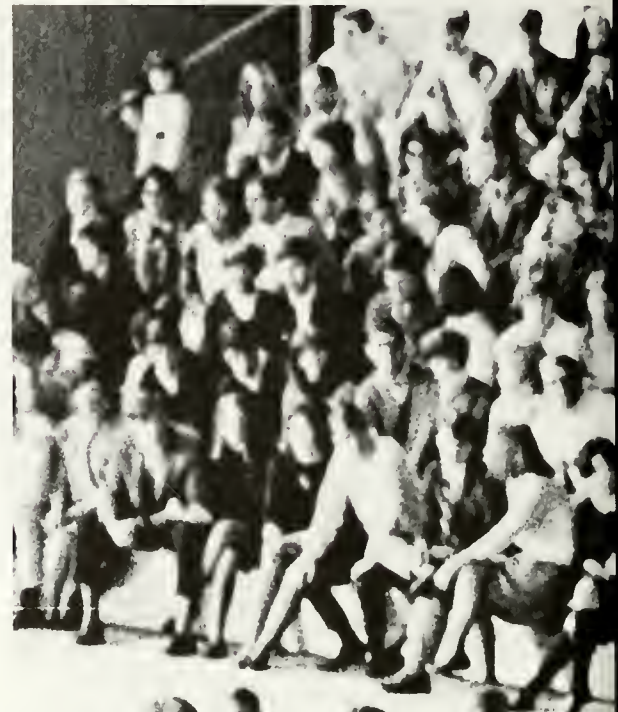

You may not have noticed, but in the middle of the field on the left, just before you get to the Campbell Mansion, there is a black tarpaulin covering a rather interesting hole in the ground. It is an old Indian mound, and anthropology students and faculty are interested in seeing what lies beneath the surface there. Known to bury artifacts with their dead, the Indians may have included some items which will be very interesting to Bethany's archaeologists. The excavation has been done in part by students enrolled in anthropology courses, as lab work.

Philosophy

Student Life

New acquaintances and experiences awaited members of the class of 1971 on their arrival at Bethany during the final hot days of August. As the most important people on campus for at least a few days, freshmen received special attention from advisors like Myron Walters, who discusses the college with Georgiana Nanni and her father in the picture opposite at *lower right*. Entertainment and a chance to meet other bewildered freshmen were provided at a mixer, but freshmen were quickly reminded of their lowly position on campus by returning upperclassmen and the Varsity 'B' who enthusiastically began freshman hazing. *Above*, Connie Herbert and Karen McCulloch are the unwilling victims of Rick Ward. With the first days of classes, however, the academic world intruded and freshmen like Heather Otto and Bill Willis learn the hard facts of what college studying is all about.

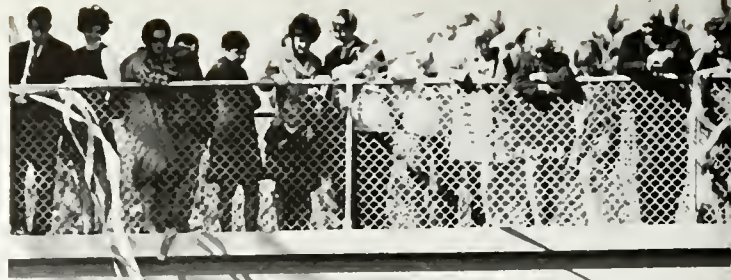

The 1967 Homecoming activities began with the annual parade which was followed by the football game, where the Bethany Bisons were victorious over the Allegheny Gators. During the game the Moos were up to their usual antics (*lower left*). The half time activities were highlighted by the crowning of Marilu Boggs, Homecoming queen . . .

and the presentation of the award for the best float to the Kappa Alpha Order (*center*). The day's activities were culminated by the Homecoming Dance at Glessner Auditorium, where students and alumni danced to the music of Count Basie. Sunday, Rine Field House was the scene of the Jefferson Airplane concert.

Fraternity and sorority rush ended this year, as every year, with joy, sadness, and excitement. The five sororities tearfully welcomed their new sisters as the brothers and new pledges from the seven fraternities looked on (*above*) . . .

After countless parties and discussions 197 Bethanians become affiliated with greek organizations. October 6, bid day, was the culmination of four weeks of extensive rush.

Dancing to the music of the Modernaires, freshman girls and dates escaped from studies into a world of "Deep Purple" December 2 when many attended the Phillips Hall Formal. Queen of the fantasy world of silver, orchid, and purple was Miss Jan Austin, who is shown here as she is crowned by President Perry Gresham. In clothes as transforming as the decorations of the hall, students became laughing, carefree subjects of the social realm of Bethany.

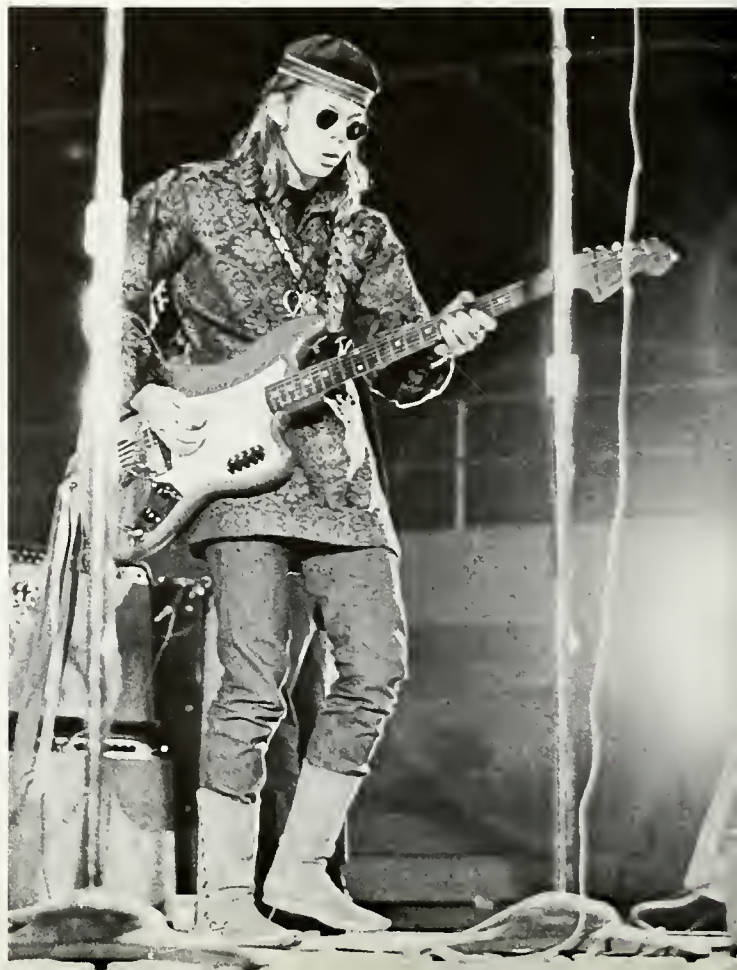

The three days preceding Thanksgiving were set aside for Christian Living Emphasis Week, or as it is commonly known by the students, C.L.E.W. Dr. Paul Holmer of Yale Divinity School spoke on the theme of the "New Morality" which the students expected to be a discourse on changing attitudes on sex. Dr. Holmer, however, did not confine himself to sex, but instead had a general discussion of changing values in morals and ethics, speaking sometimes only to a handful of listeners.

Spring Weekend

On May third, the caravan with the king and queen candidates rolled down the hill—Spring Weekend was starting. First came the cook-out with accompanying dinner music. The collection of booths reminded one of previous years—piano smashing, oatmeal throwing, dart throwing, over-and-under, and an innovation—a greased pig, caught by Doug Melrose, among others. The rains came and likewise the Lettermen, but not before Bill Kinney and Glenna Ashbaugh were crowned King and Queen.

On Saturday, the Regatta having been cancelled due to bad Sports, a road rally was held, Glen Wensil copping first-place honors. That night, The American Breed and The Grass Roots played at Rine Field House. These groups performed before an overflow crowd, as did the Lettermen the night before.

Greek Sing

Rine Field House, accustomed usually to hearing invectives hurled at near-sighted refs and the time-out buzzer, heard an altogether different type of sound on Mother's Day. Greek Sing was a success as always, due to the months of preparation put in by each Greek organization. As the program progressed, the murmurs in the crowd indicated that the Alpha Sigs and the Betas were the best, and on the distaff side the Kappa Deltas and Zetas were being silently picked by the crowd. The Betas and Kappa Deltas took home the awards, as did the Alpha Sigma Phi and Pi Beta Phi pledge classes for the highest scholastic averages. Heather Otto was named "Freshman Girl of the Year" by the Phi Kappa Tau fraternity.

Thespians

The Bethany dramatists this year performed two exceedingly difficult productions, *Becket* and *Macbeth*, in addition to a melodrama and several one-act plays directed by dramatics students. Though minor flaws were apparent, the performances were sparkling in dramatic content. Players who were seen in leading roles include Doug Berry, Paul Davidson, Kate Haddad, Lynne Schiele, and John Lewinger.

Potpourri

Student life involves much more than these all-too few pages display. The events which occur around Bethany in a year are too numerous to be recounted. A last effort is made here to gather some loose ends, to make this yearbook a more accurate chronicle of the year 1967-1968.

The Area

Student life is influenced as much by the area in which the college is located as it is by the college proper. On the next four pages can be seen pictures which capture the scenes that are indicative of this part of the country.

On the first page is the monstrous Weirton Steel complex, one of the ten largest producers of steel in the United States, and the familiar Wheeling airport, with a not-so-familiar jet plane taxiing in. The facing page displays one of the myriads of trestles which bridge the Ohio. This one is located near Steubenville. A turn of the page brings into view more Weirton Steel, the city of Wheeling, dormant railroad tracks in Wellsburg, a school playground which is hidden from the sun by the smoke of the mill in the distance, and a habitation known to many Bethanians simply as "Chuck's Motel" in McKinleyville.

Hard work and pride have gone hand-in-hand in the building of Bethany's football program. The Bisons are now one of the most respected teams in the conference and the tri-state area.

During pre-season training, the attitude was one of confidence. The team had set goals after posting Bethany's first undefeated season the previous year.

It was this spirit that followed Bethany to Cleveland on opening day and carried the Bisons to an overwhelming 46-3 victory over Adelbert of Western Reserve. The dedication and discipline of pre-season practices began to pay off. However, Ernie Whitted, stellar sophomore halfback, was lost for the season after suffering a dislocated shoulder.

The following Saturday Thiel popped the undefeated balloon that Bethany was carrying as the Tomcats dropped Bethany 20-13. Injuries spelled defeat as sophomores John Devlin and Ed LaBorde were shelved for the season. Senior fullback Dan Stephens was also lost for several games.

The ailing Bisons returned to the home gridiron the

following week only to be thrashed by the Titans of Westminster College 36-6. The Westminster clash found Bethany tackling a team that was later to be twelfth in the nation.

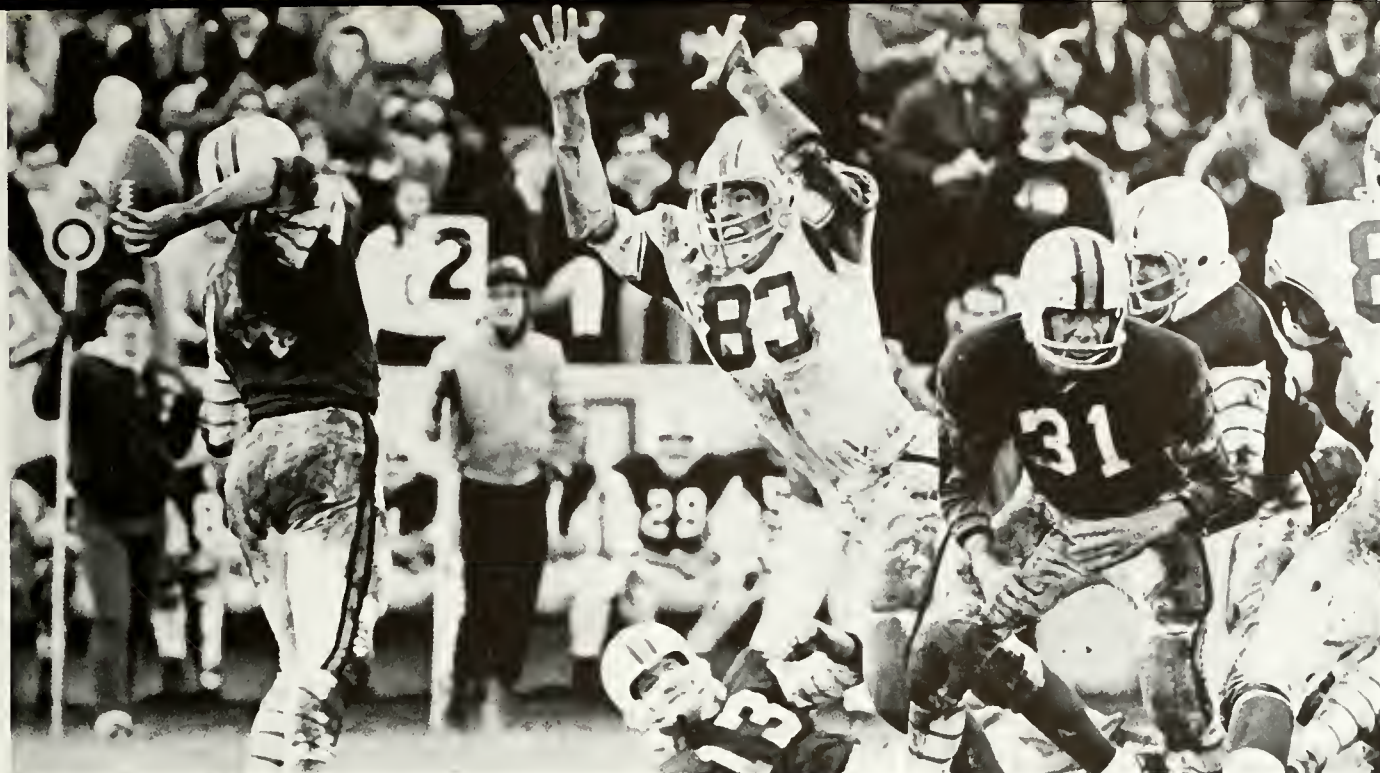

Coach Bob Goin and his men were faced with a problem. Could the Bisons rebuild their spirit and manpower?

The team didn't hesitate to answer. Homecoming and Allegheny provided the ingredients for a successful comeback as Bethany outwrestled the Gators 13-6. Allegheny had been undefeated and saw their bid for the conference championship go by the boards.

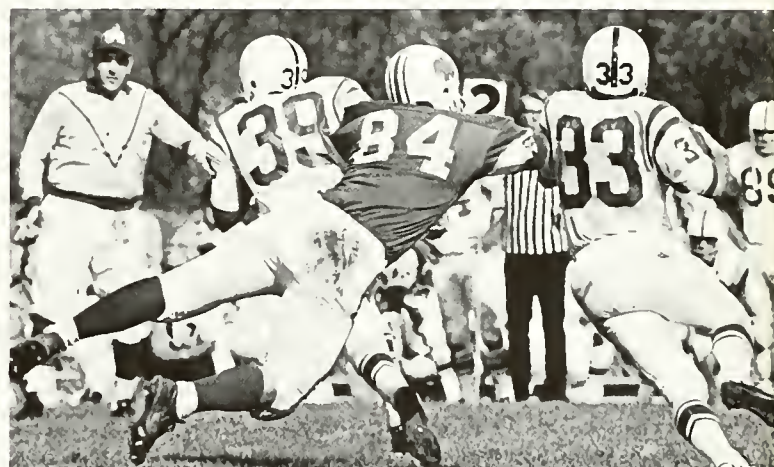

At Cleveland's Shaw Stadium Case Tech witnessed the Bethany offensive machine beginning to pick up steam as the Green and White romped home with a 48-8 unsaddling of the Roughriders.

The Buffalo Creekers then proceeded to whitewash the

Washington and Jefferson Presidents 41-0. The Bisons were quickly picking up momentum and began to get ready to travel downstate to lock horns with the always tough West Virginia Wesleyan eleven.

The Wesleyan game pitted the pride of the Presidents Athletic Conference against the pride of the West Virginia Conference. Bethany rose to the occasion and played what Head Coach Goin termed "one of the best games ever played by a Bethany squad." When the final gun sounded, Bethany had posted its second straight shutout, 25-0.

However, the day was as sad as it was happy. Just as the team was boarding the bus, word came that Thiel had beaten Allegheny to clinch the PAC football championship. The ride home from Buckhannon was just a

little longer that day.

The season finale found the John Carroll Bluestreaks getting even for the 7-6 setback the Bisons had handed them the previous year, as the Clevelanders marched home with a 21-3 victory.

For the record books, it read 5 and 3. But the season represented much more than that. The Bisons fought hard every game; there were bright spots and dark ones.

The eleven green and white shirts worked together as a unit. They represented Bethany with pride; their presentation on the field represented their preparation off the field.

The Bisons finished the season in second place in the PAC and in sixth place in the N.A.I.A.'s small college defensive ratings.

Also, six Bethanians made the All-PAC dream team. They were offensive tackle Sal Marranca, offensive guard Don Karl, and offensive halfback Tom Abraham. Defensively the Bisons were represented by end Rich Deulley, tackle Ami Caputo, and back Bob Oakes. Deulley was named as the team's M.V.P.

Injuries Also Plague Bison Harriers

BOTTOM ROW, LEFT TO RIGHT: Terry Martinson, Chuck Shieb, Dave Zavesky, Bob Turner, Al Fusca, and Jim Peggs. **ROW TWO:** Manager Joe Morgan, Jim Liddle, John Masquelier, Rick Ward, Bill Jarman, and Coach Tom Ackerman.

Bethany's harriers, hampered by losses from injuries and graduation, had a building season this year. Conference champions the previous year, the Bisons finished with a 1 and 5 dual-meet record and fifth in the PAC.

Coach Tom Ackerman laid out a new course for his runners, using the flatter fields near Buffalo Creek and Route 88 to eliminate the rough hills from the home meets. The new course consisted of plowed turf which was often muddy and slippery.

The team got into shape slowly with early illnesses and injuries plaguing the runners. Captain Rick Ward and John Masquelier led the team during the initial practices with Jim Liddle also showing fine promise. Bill Jarman, All-PAC runner in 1966 along with Ward, reinjured his arches early in the season and never got into top form. However, these four men led the team throughout the year against what proved to be stronger PAC competition.

The Bethany runners also suffered from a problem which plagues all defending champions. Every opponent was ready for revenge, and produced greater efforts to try to defeat the champ. Such was the case during the

RIGHT: Bethany Captain Rick Ward runs hard against the harriers from Carnegie-Mellon.

first meet at Thiel College on Oct. 3. Thiel acquired a fine freshman runner who copped individual honors while leading his team over the Bisons 24-33. After the Thiel contest, the Bison harriers were never again at full strength. Bethany proceeded to drop her next three meets by large margins to Adelbert of Western Reserve, Carnegie-Mellon, and John Carroll.

Homecoming proved to be a better day for Bethany. The Allegheny Gators came to town, and left for home defeated by one point (27-28). The meet was touch and go every foot of the way, but Ward, Masquelier, and Liddle provided the cushion by placing second, third, and fourth, respectively. Freshman Chuck Schieb and Jarman also finished in the top ten to give Bethany her only victory of the year.

In the final dual meet of the season, Case Tech trounced Bethany 19-39 in Cleveland. The weather proved to be a forewarning of the next week's PAC conditions with rain and snow teaming up with a 35-degree temperature to slow the runners down.

ABOVE: Chuck Scheib loosens up before the race. ABOVE RIGHT: John Masquelier leads at this point with Jim Liddle running closely behind. RIGHT: Jim Liddle, Terry Martinson, and Chuck Scheib show the happiness that comes with a well-run race.

LEFT: The loneliness of 'the long-distance runner. Teams run over four miles through the forests and over the hills of Bethany. BELOW: Rick Ward goes it alone for a while. BOTTOM: CMU runners are gaining on John Masquelier.

The PAC meet was held at Forest Hills Park in Cleveland with the weather remaining unchanged. In 1966 the Bisons had thrived on such conditions, winning the title handily and placing three runners in the top five. However, the skill and luck of '66 seemed to be gone, and the Big Green ended up in fifth place, scoring 105 points. Case Tech was the victor with 34 points, followed closely by Western Reserve. Paul Ehrlich of Reserve grabbed first place with a fine time of 22:03.5. For Bethany, John Masquelier and Ward finished 12th and 13th, while Liddle and Jarman placed 22nd and 23rd. Scheib placed 35th to round out the first five for the Bisons.

Coach Ackerman named Masquelier and Jarman as co-captains for the next year, and awarded other letters to captain Ward, Liddle, Scheib, Bob Turner, and Terry Martinson.

It was a difficult season for Bethany, but an understandable one, given the problems. However, the team profited in many ways by learning the importance of positive mental attitudes and dedicated conditioning. Only one man is lost through graduation, and perhaps the returning men will couple their experience with renewed determination to bring the title back home.

Soccer Team Will Be in Varsity Competition

BOTTOM ROW, LEFT TO RIGHT: Amos Acree, Myron Walters, José Benedetti, Carl Rueckert, Armand Mazie, Frank Gomez, John Davis, Bill Flower, and George Weldon. **ROW TWO:** Jack Morgan, Rich Cox, Bob Lamb, Dexter Nichols, Bill Houghton, Lester Roberts, Dave Williams, Stelios Papadopoulos, Gary Andy, and Dan Faux. **ROW THREE:** Coach John Cunningham, Mike Barr, Bill Hazzard, Doug Hottel, Joe Studick, Nick Kovacic, Charlie Lenhart, Bill McKee, and Ed Hubacher.

Under the excellent direction of Coach John Cunningham, the Bethany College Soccer Club evolved into a well-structured organization and quite a good team in the fall of 1967. For the first time, soccer was heading in the direction of becoming a varsity sport. Officially recognized by the SBOG and the President of the college, the team engaged in regularly scheduled contests with other schools in the area. The soccer club played an eight-game schedule, and the competition ranged from other clubs like Bethany's to teams that have been playing for many years, including teams with national recognition.

The won-lost record of 3 and 5 may not look impressive at first sight, but for a team that was together for the first time as an organized team, it was not a bad year. Considering the club's inexperience, the level of competition, and the conditions under which some of the games were played, the club did an excellent job in representing Bethany College.

Included on the 27-man squad were 15 freshmen, four sophomores, seven juniors, and only one senior. Led by the whiz from Greece who scored 18 goals in eight games, Stelios Papadopoulos, the team looked impressive in most of its appearances. The team was shut out only

once in eight games, and the future looks bright as the 1968-69 season will see the first varsity soccer team at Bethany College. With a year of experience under their belts, the Bisons could be the surprise of the PAC.

This season the team counted heavily on such stalwarts as Papadopoulos, Jack Morgan, Gary Andy, Glenn Kelly, Amos Acree, Rich Cox, Dexter Nichols, Carl Rueckert, Joe Studick, and Myron Walters. Some of these men had been playing soccer for only a short time. Danny Faux and Dave Williams were also standouts for the club, but injuries forced them to the sidelines for several games. Manager Hamed El-Abd assisted Coach Cunningham on the field.

Only Walters is lost from the team through graduation, so the Bisons will be looking for quite a productive season in 1969.

Wrestling Team Is the Best in Three Years

BOTTOM ROW, LEFT TO RIGHT: Mike Ramsey, Dave Lawler, Dan Raub, Jim Liddle, Bill Harvey, Jim St. Clair, and Andy Goresh. **ROW TWO:** Rick Vincent, Bob Uhl, Chuck McCarthy, Gary Pittman, Capt. Rick Ward, Tony Weishner, Jay Dimarco, and Jeff Eger. **ROW THREE:** Manager Bob Ruckel, Howie Seigle, Glenn Wade, Ray Scherzer, Milt Shanely, Ed Hubacher, Jeffrey Andrews, James Young, Martin Pear, and Coach Hugh Ripps.

The 1968 wrestling squad proved to be Bethany's best in three years of varsity competition. The Bisons had only two wins during the season, but scored 32 points in the PAC meet compared to a previous high of 13 points.

The team's pride was Tony Weishner, Bethany's first All-PAC grappler. Tony wrestled in the 145 pound class. Team Captain Rick Ward lost a decision 7-2 in his final match, but captured a PAC second place in the 152 pound division. Chuck McCarthy placed third in the 191 pound class, and Jim St. Clair and first year man Mike Ramsey won fourth place berths at the 130 and 123 pound classes respectively.

Bethany began the season losing to Marietta 26-23 with Ramsey, Weishner, and Ward pinning their opponents and Dan Raub beating his man. But at W&J the Bisons were impressive and showed signs of their potential. McCarthy, Raub, and Jay Dimarco put their opponents on their backs and Weishner won by forfeit. Ward won his match, but the close 23-22 meet (W&J) wasn't decided until the last match when Bob Uhl lost a 6-4 decision in the heavyweight class.

The grapplers then went on to defeat Alderson-Broadbudd 33-8 with McCarthy, Shanely, Dimarco, Ward, Paul Leiblich,

and Bill Taczak recording pins and Raub beating his man 10-5. However, against PAC champs John Carroll the Bisons got their only points from a forfeit to Weishner, and a powerful Grove City team also limited the Bisons to a lone 6-2 win by Weishner and a forfeit to McCarthy.

In other meets, Glenn Wade got the only pin against Western Reserve with Gary Pittman and Weishner getting wins. At Allegheny McCarthy tied Duda, Ramsey pinned his opponent, and Ward and Weishner recorded wins. McCarthy got the lone pin in the Case Tech meet while Pat Doyle and Ward won their matches.

The squad had a new spirit under first year coach Hugh Ripps. During the season a pride had grown among the Transylvania. Six of those first eight victories were from PAC Members from other teams commented on how well conditioned Bethany wrestlers were for the tournament. Many of the Bisons were first year men, and the team can expect help from them in the future. A good coach, hard work, and desire add up to a bright future for the Bethany grapplers.

Three Times in a Row for B.C. Basketballers

The Bison roundball team again swept the PAC, winning their third consecutive championship. Toted by Head Coach Tom Ackerman and Coach Doc Pannell, the Green and White came in with a 9 and 3 record in the PAC and 11 and 7 overall.

Success was the name of the game during the first half of the season for the Bisons as they dumped eight of their first ten opponents. The two losses came as the team ventured into Kentucky to play Bellarmine and Bethany's sister school, Transylvania. Six of these first eight victories were from PAC opponents, and the victories fortunately provided a cushion for what was to come in the last eight games.

RIGHT: When called for a foul, Bill Watkins willingly cooperates with the officials.

The January break was long, and the Bisons had to play through the month with little or no support from fans. But as students and faculty went to Rine to see the Bisons in their first home encounter after the break, they went to watch a team sporting an 8 and 2 record. However, from that point on something was different. The Green and White did an about face and dropped two straight out-of-conference games. Then came a heart-breaking loss at the hands of John Carroll 84-83, and a week later a win at Case Tech and another loss, this time to Adelbert in a 56-53 squeaker.

It was down to the season's last three games, and when Allegheny came to Bethany the Bisons began showing some of their early season spirit and ran over the Gators 103-65. But the real moment of truth came to town with the Thiel Tomcats. The Tomcats then displayed a 7 and 3 PAC record while the Bisons stood on top at 8 and 2 on the strength of their early-season victories. A loss to Thiel could have put blinders on the Bisons' championship eyes. However, good clutch ballplaying told the tale in this important ball game, and the Green and White clinched their third consecutive championship 81-51.

Two Bisons, Mike Nevitt and Co-captain Stan Kaniecki, were named to the All-PAC basketball squad with Jack Kostur receiving an honorable mention. Kaniecki provided much of the drive behind the team and was doubtlessly a standout performer. He was the team's leading rebounder with 249 and was fourth in scoring with 196 points. Nevitt, one of the quickest and most deceptive ball-handlers in the conference, sat out some ball games with an injured ankle, but still popped in 213 points for the Bisons. Kostur led the team in scoring with 262 points.

Co-captain Bob Patterson, All-PAC in 1967, tallied 231 points for a second-place slot in that department and grabbed 147 rebounds. St. Clair Gratz, a smooth-playing four-year man with the Bison quintet spilled 194 points through the nets and pulled down 82 rebounds. Bill Watkins, who may have been this year's most improved player, had his best year as he snagged 136 big rebounds for the Green and White and chalked up 161 points. Jack Rosenberry contributed to the Bison effort by pouring in 75 points and grabbing 73 rebounds.

Bethany's much-acclaimed tankmen enjoyed another better than successful season under fourth-year coach Tom Grall.

However, the team was deeply saddened this year by the loss of Pete Cassel. Pete, an All-American swimmer for the Bisons in 1967, was tragically incapacitated due to an automobile accident early in the school year. The Bisons dedicated their 1967-68 season to Pete.

Bethany's only loss in dual meet competition came at the hands of Grove City College in a 58-46 upset. The rest of the season, though, was clean-cut success for the mermen as they won ten of eleven dual meets, successfully defended their PAC Championship, finished second to Bucknell in the Grove City Relays, and finished fourth in the National Association of Intercollegiate Athletics swim meet at St. Cloud, Minn., in which 85 colleges participated.

There were 18 All-PAC swimmers and divers . . . the Bisons had 16 of them. In winning the PAC's, the Bisons scored 126 points, the most ever scored in the finals, with Thiel College finishing a distant second with 50 points. The meet was held at Bethany's new John J. Knight Natatorium, and the Bisons thrilled the Bethany spectators by setting five PAC records, two pool records, and winning ten of the twelve events.

The N.A.I.A. meet at St. Cloud State was won by Eastern Michigan University, a team which the Bethany swimmers had beaten in dual meet competition earlier in the season. However, laurels were again bestowed upon the Bisons as seven Bethanians achieved All-American honors. The All-American swimmers included Jim Veres (200 yard individual medley and 200 yard butterfly), Jeff Stuek (50 and 100 yard freestyle), team captain Bruce Keppler (50 and 100 yard freestyle), Wes Anderson (200 yard backstroke), Barry Roffer (100 yard breaststroke and 200 yard butterfly), Bart Smith (200 and 500 yard freestyle), and Ed Rothstein (100 yard butterfly).

Coach Grall has done a fine job with the swimmers, and not only has past performance been remarkable, but Bethanians can look forward to equally productive, if not better, years coming from the Bisons. Not one member of the team will be lost through graduation for the 1968-69 season.

Baseballers Finish Second — Rainouts Hurt

BOTTOM ROW, LEFT TO RIGHT: Pat Mauro, Dave Zarnoch, Jack Kostur, Co-Captain Mickey Hornack, Bob Fialkowski, and Joe Studick.
ROW TWO: Head Coach Bob Goin, Manager Lynn Hoback, Barry Austin, John Mullen, John Sargis, Denny Robinson, Manny Markos, Bill Torowicz, Tom Becze, Assistant Coach Pete Weber, and Trainer Bob Riley.

The 1966 Bethany College baseball team under the leadership of Coach Bob Goin and assistant coach Pete Weber compiled an overall season record of 9 and 7. Posting a 7 and 4 mark in conference action, the Bisons found themselves behind Western Reserve for a strong second-place finish.

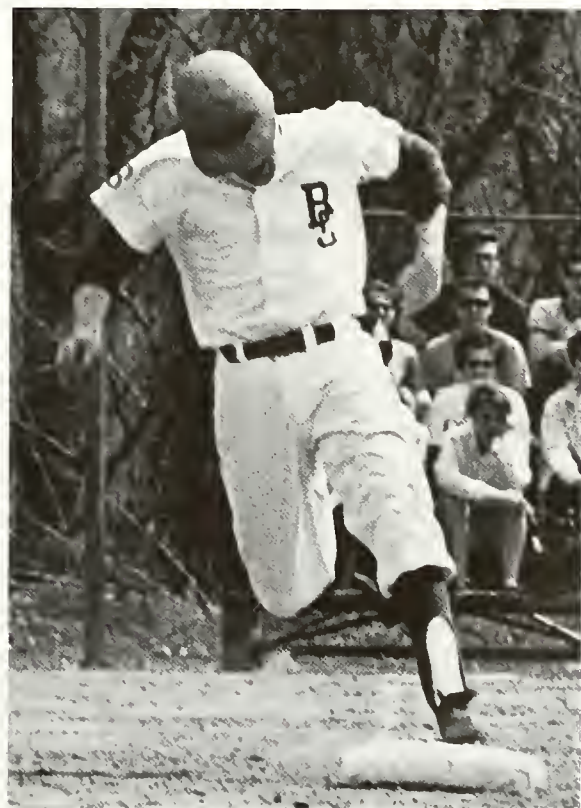

The season's highlight came in a twin-bill with the Presidents of Washington and Jefferson. The Bisons, through determination and strong hitting, managed to overcome a 4-0 early-inning deficit and go on to win 10-1. The nite-cap was also taken by the Bisons 5-1.

As the season came to a close, constant rain prevented the playing of four crucial games. If just one of these games had been played with the Bisons being victorious, the baseballers would have had their second straight championship in the PAC.

Individually, however, the season provided several stand-outs. First-baseman Manny Markos, a sophomore, was the team's clutch hitter knocking the ball at a .340 clip. Ed LaBorde, another sophomore, was the leading hitter at .442 and also proved to be a stalwart behind the plate. Senior Co-Captain Randy Kirkwood, with his timely

hitting and superb baserunning and Freshman Denny Robinson who looks like he'll be one of the finest pitchers the PAC has ever seen (E.R.A.—1.02) were also bright spots for the Bisons.

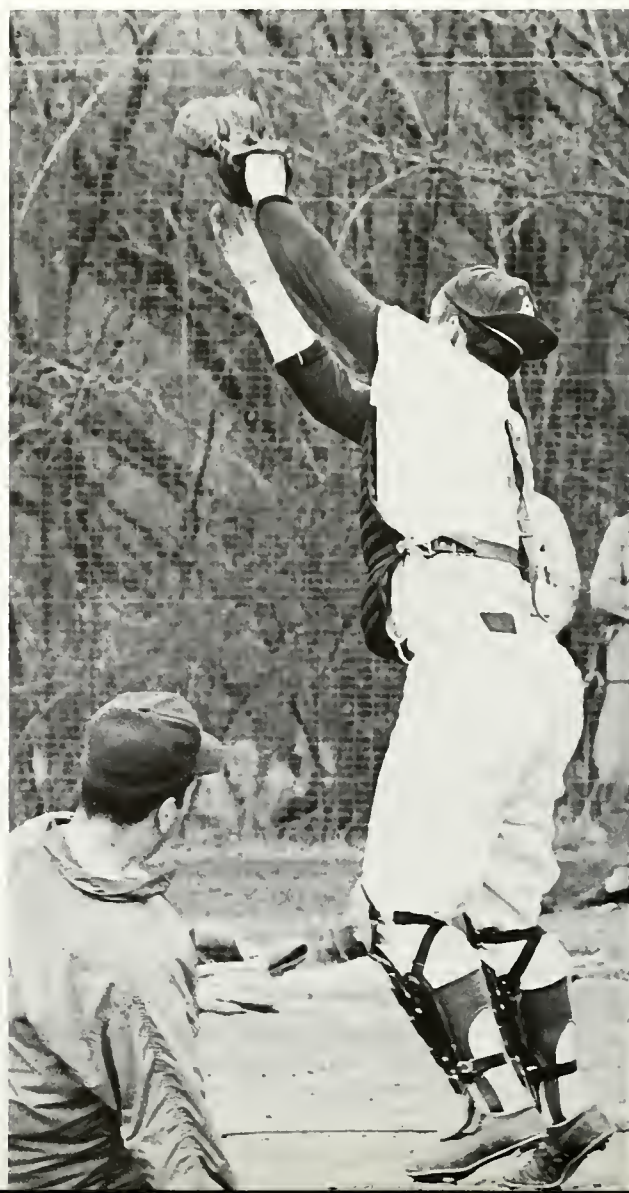

Four Bethanians were named to the All-PAC team. Kirkwood became the first in PAC history to be placed on the "Dream Team" four times. LaBorde, Robinson, and second baseman Jack Kostur all were named to the team for the first time.

The season's strong fan support, proper conditioning, and desire added up to a good season for the Bisons. The team will be looking for a first place finish in 1969.

Track and Field Team Suffers Lack of Depth

BOTTOM ROW, LEFT TO RIGHT: Jim Liddle, Gary Strobel, Jules Ross, Rick Ward, Jim St. Clair, Doug Savacool, Bob Humphrey, and Collin Sanford. ROW TWO: Dave Bates, Don Merrigan, Steve Edwards, Tom Meredith, Bob Turner, Greg Smith, Eric Vetter, Mike Kaufman, and Manager Joe Morgan.

The Bison track and field team suffered their way through a trying season in 1968. Spring break came at a bad time for the team under the direction of Coaches Tom Grall, Tom Ackerman, and Student Assistant Coach Don Megerle. The break caused a late start in practice, and when the Bisons had only four days of practice time, most other teams had better than a week. And even then, fewer men than expected came to try out for the team.

Lack of depth became a major problem plaguing the Green and White in '68. In the weight events, Tom Meredith and Dave Bates had to go it alone, and injuries forced All-PAC'er Greg Smith and Co-captain Jules Ross to the sidelines for most of the season. As a consequence, even though individual Bisons placed high in many events, points were lost because of the lack of depth. Stand-out pole-vaulter Jim St. Clair quickly became a broad-jumper and triple-jumper also, and others competed in events in which they normally would not have competed.

However, the season did have some very bright spots. Smith became Bethany's first All-PAC trackster in three years with his jump of 21'4½" at the PAC's. Outstanding performances during the season were turned in by St. Clair, John Masquelier, and Co-captain Rick Ward.

Scorewise, the track and field team didn't have a very successful season, true, but any season, good or bad, should not be culminated in such a way as was this one. At the PAC meet, Friday's qualifying heats were run in the sun—it was warm for Cleveland. The team suffered some bad luck in those qualifying rounds. Jules Ross was third in his heat in the 100-yard dash with a time faster than the winner of another heat—the top two in each heat get to the finals. It promised to be that kind of weekend, and it was. Saturday brought unending rain and disappointment to many who felt they could have done better in weather more appropriate for outdoor sports.

The day was not without triumph, however, as Greg Smith took a first place in the long jump and a fourth in the hundred, John Masquelier a second in the 3-mile, and Bud Scroggins took second in the high jump for the third straight year. Jim St. Clair managed a sixth in the triple-jump and a fourth place slot in the pole vault, and Rick Ward ran fourth in the 3-mile.

Golf

The Bethany golfers, coached by Athletic Director John F. Knight, started the year in glory by beating the Redcoats of Adelbert, and then grabbed a tie with Thiel at mid-season. But the Bisons again spent most of the season in the struggle.

The young Bison team managed close scores in several matches during the regular season, but finished sixth at the PAC meet held at Meadville, Pa. W&J took first at Meadville. However, not one golfer will be lost through graduation, and with several of the Bisons showing fine talent in '63, the team promises a better showing for the 1963 season.

Bison Netters Tie for First Place Laurels

BOTTOM ROW, LEFT TO RIGHT: Jim Kamman, Curt Spencer, and Karl Nonemaker. ROW TWO: Coach Joe Kurey, Kirk Hunter, Joe Krajsa, Ian Webb, Carol Hunter, and Coach Warner Peterson.

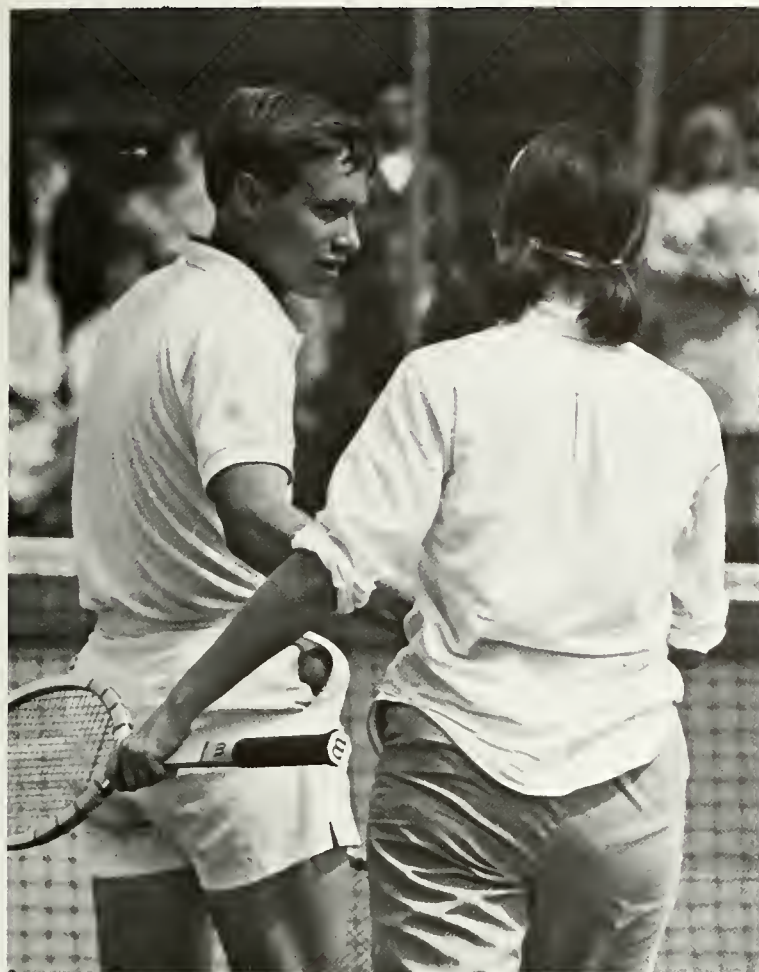

Another successful season for the Bison tennis team has raised Coach Warner Peterson's coaching mark to 132 wins against 37 defeats, and has netted the team another PAC crown. In fact, for the second consecutive year the Bisons tied with W&J for the laurels.

Playing in the number one singles position for the fourth consecutive year, Kirk Hunter again led the Bison netters, this year serving as team captain. He capped off his fine college tennis career with a sparkling 11 and 0 record during the regular season play. Kirk was PAC singles champ in the number one position in 1965 and '66. In 1967 and this year he teamed up with his sister, Carol, to form Bethany's number one doubles combination and the PAC's first place doubles combination at the number one position. Carol also holds down the Bison's number two position in singles play.

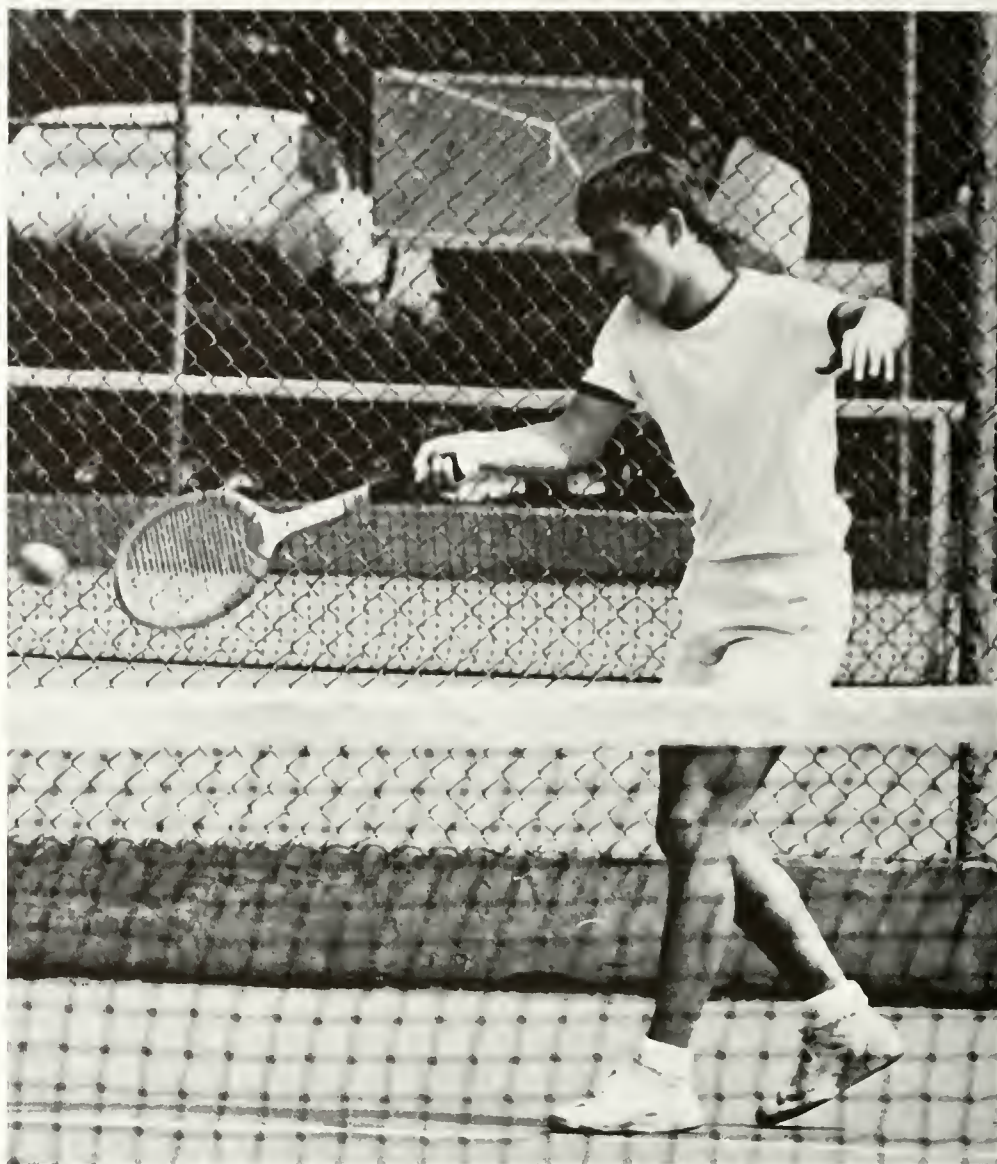

The team will lose two other valuable players in Ian Webb and Karl Nonemaker. The two seniors teamed up to win at the PAC events in the number three doubles slot.

The Bison net squad was rounded off this year by two fine freshmen, Jim Kamman and Curt Spencer. Playing at the number three spot and the number five spot respectively, Kamman finished with a 9 and 2 record while Spencer's card shows 9 and 0. The two also teamed up to take the PAC doubles at the number two position

Organizations

S.B.O.G.

Student Board of Governors is the governing body of Bethany College's student body. It acts as an intermediary between the faculty and the student body by bringing to the students the college policies which guide campus activities, and taking to the faculty policies which the students desire.

Membership includes representatives from each Greek organization and representatives of the independent men and women. The Board meets bi-monthly.

All campus elections are supervised by the SBOG and an annual convocation is held. This year's SBOG convocation speaker was John D. Rockefeller IV.

Members are: **BOTTOM ROW:** Marcia Fleming, Dale Mielke. **SECOND ROW:** Linda Dorazio, Robert Lamb. **THIRD ROW:** Candace Adams, Mark Riemer. **FOURTH ROW:** Pamela Golden, Dexter Nichols. **FIFTH ROW:** Patricia Trager, Alan Hurley, Walter Wagner.

Social Committee

The purpose of the Social Committee is to plan the campus social calendar. The group discusses problems and new ideas to improve Bethany's social life. Members are representatives from each Greek organization and the independent men and women. The group is capably led by the Committee Chairman and Co-Chairman.

This year the committee brought, among other groups, the Jefferson Airplane, Lettermen, Dionne Warwick, the Grass Roots, Junior Walker and the All-Stars, and Spanky and Our Gang.

With \$35 thousand or more to work with, next year's slate will again include top performing groups, including The Association.

BOTTOM ROW: Arthea Staeger, Karen Butler, Clark Fullerton, Daniel Faux. BACK ROW: David L. Hobe, advisor, Henry LaBrie, Edward Brouse, Noel Mellott.

The Cheerleaders — Lone Exponents of School Spirit

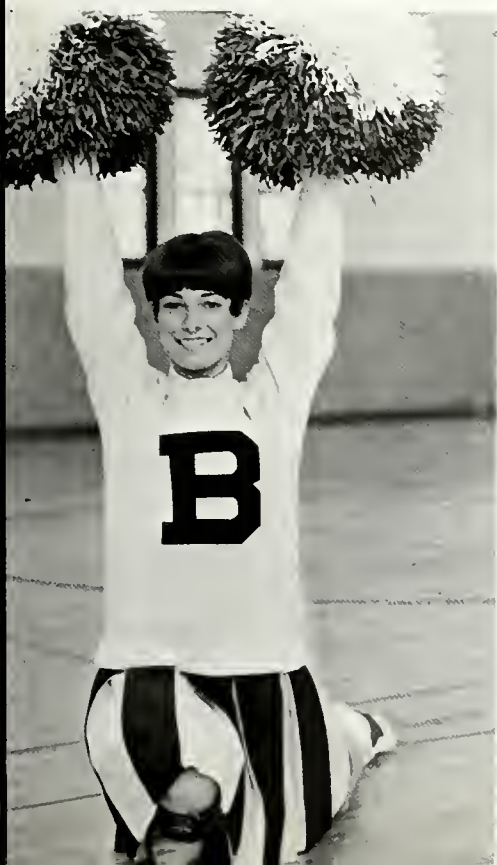

Think back to the basketball season ... Was the number of people in the stands a good indication of the basketball team's success? How many coaches had to bribe students to get them to the gym? If you feel just a little guilty, there's a reason for it. How many cheers did you respond to? The cheerleaders for 1967-68 made an all-out effort to encourage student interest in and support of Bison sports events. The squad of eight lively girls was greatly appreciated by the college's football and basketball teams.

Bethanian 1968*

OPPOSITE PAGE: Hank LaBrie, JoAnne Schreck, and Mike Baer. ABOVE: Tom Adams and Dan Wolcott. RIGHT: Andy Kerrish and Jack Hillwig.

Bethanian 1968 is bigger and more inclusive than any yearbook ever seen at Bethany College. From sports copy written in collaboration with athletes, to the student index, the book was designed to tell old stories in a new way. Copy was written to be easily readable and the photographs designed to capture moments in not-so-ordinary perspectives.

Staff positions are open to anyone interested.

What happens at Bethany College is a continuing story—*Bethanian 1968* is not. This chapter of Bethanian life is finished, and it is left to you, the reader, to evaluate. Approximately 500 man-hours went into its preparation, in addition to a thousand feet of film. Seventy-six percent of the student population appears identified within the book, and, counting the unidentified pictures, it is likely that four of every five Bethanians are visually noted here. In closing, I would like to thank a number of people who offered valuable assistance during the year: Gene Burke, company representative; David Hole, faculty advisor; Dana Garner, college photographer; Bill Ruschel of Ruschel Studios, senior portraits; and Ken Burse and Max Shinley, for help in photography. A special thank-you goes to my wife, Kristin, whose typing and general moral support made this book a reality, and to my staff for a job well-done. Our goal was to put together the best yearbook ever seen at Bethany. We think we did—it's up to you to decide.

Bill Landrum
Editor, *Bethanian 1968*
